Getting My Ass-Gape Going!
Vibrating Vanessa

A lot of girls on my campus go to the gym, but me, I give myself a workout in the privacy of my dorm room. It's a very special program. You see, I'm training to take really huge cocks in my ass. It's easier said than done, judging by all the horror stories I hear from my girlfriends. "I should have waited!" "I should have taken it slower!" "He filled me with his goo before I said he could!" Well, that got me on my program of exercises. Because when I'm truly ready for dick in my ass, I'll call the shots.

I mean, you have to admit, I have everything that any guy would want. I'm pretty, and I've got a great body. I'm not shy about showing my pussy or stripping slowly for a guy and letting him study my cunny while he strokes his cock and gets it hard to fuck me.

But anal sex is another thing. That's why I got my special device which I've nicknamed "The Black Bear." It really primes me for the big action I'm going to be having one day when I decide that I'm ready. I take the Black Bear first into my pussy, and I pump it up, and then it's time to cram it in my ass. Gently, of course, but feeling every millimeter of it growing as I squeeze the pump. I do my backdoor exercises every day at the same time, sticking to the program. Some lucky guy is really going to benefit from the gape I'm developing!

Bite my calves, lick my thighs, worship my

Cock-Sharing Cuties

Reena & Lindsay

31353

18 BEST OF CLUB

Reena and Lindsay had been good friends for awhile, but one thing that always ran under their closeness was competitiveness.

Competitiveness for grades, for clothes, for guys. But that first year in college, sharing a dorm room together, they decided to team up and at least put that competition on hold. If they fucked the same guys, then they might start to feel closer!

Their experiment worked! Especially with the guy they picked up at the bar last weekend. He had what they wanted and it was share and share alike. He sensed that they wanted to be treated equally, so he laid them face down next to each other, tugging off their panties at the same time. Then he fed them pretty equal amounts of cock, letting them kneel and lick it together, then sliding it into one of their pussies and one of their mouths, then shifting them so the other pussy got what it needed while the other mouth was satisfied, too. This guy was a keeper! He just should've written his name down...with a number...

Wow, it felt great to be piled on top of each other while he moved his dick back and forth in their holes, sharing their juices. And then getting fucked by him while they kissed a little but sucked his dick more! When he finally came, well, the cum was for both of them! Sharing truly IS caring, and the only way for Reena and Lindsay from now on!

Dildo Darlings

Alexis & Euftrat

Sophomore roommates Alexis and Eufat are history majors, and one of the things they studied recently is how cities have improved from the 1970s up to now. They've learned how raunchy towns used to be, and that there used to be—gasp!—live lesbian sex shows in New York City's infamous Times Square! With girls on a bed in a circular peep-show room performing for men behind curtained windows in tiny booths, naughty men took out their cocks and tugged at the exciting sights!

Well, Alexis and Eufat are also lovers, not just roomies, and they got to imagining what it would be like if they gave a show for strangers, lying on a bed in some sleazy room, taking off their lingerie and playing with their toys while metal tokens were dropped into little machines to keep the curtains going up on the peep-show windows. They could almost hear the clink of the tokens as they slid their vibrators into their pussies and pulled apart their cheeks and licked their pussies and ass-holes. It gave them an extra urge to spread their thighs real wide, so the imaginary guys behind the imaginary peep-show windows would have a good view of their pussies as they twitched and came...

Whew! Now whoever said history is a bore??

BFF's Get Filled With Cock!

Jackie & Wanda

Sometimes young girls use the flimsiest excuses to get wild with a sturdy cock. Case in point, Jackie (the brunette) and Wanda, best friends who used a little game of Spin the Bottle to get their dorm buddy Tom to take out his prick and service them both. Did he actually think it was just going to end up in kissing? Boys are so slow these days! ;)

Realizing he had stumbled into a potential threesome, Tom was soon giving Jackie and Wanda what they needed. They gobbled his cock so eagerly, damn they looked cute down there; and then they offered up their pussies and mouths all at the same time. Jackie really loved to lick a guy's balls while he banged Wanda. It made her feel super-nasty. In fact, she kinda had a crush on her blonde friend's snatch. Imagine that, in love with your BFF's pussy! Which didn't mean she didn't also want a cock banging her own hole while she licked Wanda!

Jackie had to hand it to Wanda, though. She was really adventurous when it came to giving up her ass. Jackie was a little slower when it came to bungie-banging. But she was more than happy to lap her friend's snatch once again while Tom's prick filled Wanda's bottom. Things worked out real fine. Nothing like a game of Spin the Bottle to relieve some of the tensions of college life!!

I Am The Campus Cock-A- Holic!

By Mikki T.

Ooh, your cock is yummy! Just lay back and relax, let me do all the work. I like your chest, it's so manly. I like to run my hands over a guy's nipples while I take his cock in my mouth. Come on, I told you to relax! I'm doing all the work here. You just have to be your sexy self. Leave the heavy lifting to Mikki! Get it—heavy lifting? After all, you ARE well-endowed!

These balls are sweet. And you like how I stroke you while I kiss your nuts? I guess your eyes wouldn't be crossed if you didn't like it! No, I'm not laughing at you. I meant that affectionately.

Watch me closely. It's always better for a guy when he watches what's happening to him. Look at my tongue along your shaft, up up up to the top. Now, I'm going to capture your cock between my titties! Ooh, it doesn't quite disappear because you have such a big one. Mm, let me move up and down on this sexy thing. I'll work up some friction. That's it, lay back and moan and let me do all the work.

I want to suck it some more...good, hold your hands in my hair, just lightly, follow my head up and down with your fingers while I blow. Now I'm going to stop talking for a moment as my mouth is going to be very full...mmffff....

Whew! I need some air! And look how stiff you are! Let me climb on top of this now. Oh, let me just slide it in! Hold my thighs gently. I'm going to ride it. You like to hear me talk like this? So I'll tell you about myself while I ride...

You've seen me around campus for awhile. I don't actually go to this college, although I wish I could. Actually I got accepted, but my parents didn't have the money and I couldn't get a good scholarship. So I decided I would come here anyway, find a job, and *absorb* an education instead of formally getting one. Audit classes. There's a certain energy here, and I wanted to be part of it. My parents weren't happy, but it's my life.

I got a job at the burger joint near the main road, the night shift, and this room in the boarding house not far from Main Street, and during the day I hang around the classrooms and near the library and on the quadrangle, and I go to the free concerts and events at the art museum. Oh, and the movie house, where we met. Isn't it

cool that this town still has its old-time movie house? A good place for me to meet new friends like you...

Just relax, I like to be on top. Hold my ass, pull my cheeks apart, ooh, I can feel you so deep...

I've been here for more than a year and it's going great! Everybody knows me, just like you do now, and I get to audit classes with no problems or anything! I'm kind of like a campus mascot...a character...somebody unique...accepted for who I am. Of course, I'm not just getting an academic education here...I'm doing other things too...I guess that's why they call me the Campus Cock-a-Holic.

Shh, quiet! Here, let me sit on your face a little. You'll still be able to hear me, I won't clamp my thighs on your ears. Ooh yeah, lick my hot spot. Oh yes, right there. Um, where was I? Campus Cock-a-Holic. I guess my thirst for knowledge wasn't just about books and lectures. I wanted to experience college life from the cock angle, too. And so I started out with a student sitting next to me in a history class I audited...he was so cute...we sat in the top row of the lecture hall where nobody could see us and I...well, I gave him a handjob during the lecture...the hall was dark and drafty...he was wearing a coat...he shot a lot, but it was all over the inner lining of the coat, so...it was okay...

And from one cock I went to another, and another...and now here I

am with you. Maybe Campus Cock-a-Holic is not exactly a nickname to be proud of, and I know people whisper that about me, but...who cares? It's about getting an education here, and if there's one thing a person needs to know, it's not to put too much weight on the opinion of others...that's what one of the professors said last week.

All right, you ate me so good...now I want to put you back in my mouth. Is that okay with you? I can see by your face it's perfectly fine! Mmm, fill my mouth...mmmmfffff....

You want me to jerk you off on my tongue? Okay, you nasty boy...you juniors get some of your ideas from porno movies, right? Okay, I'll open wide for your big boy...just let me do it, I'm in charge...you're in good hands with the Campus Cock-a-Holic!

I like to hold balls while I stroke. I can feel all the power in your balls, everything that you want to give me. Oh, you like the things I say, don't you? Well, you should know I'm good with words because I'm an unofficial English major, too! When I'm done auditing I'm going to have as many English classes under my belt as any real major...

Oh, you're getting that cross-eyed look again! Come on, let it all out for Mikki...oh, good boy, what a lovely mess you make! And now you get the Campus Cock-a-Holic Kiss of Approval right on the tip of your dick!

This Angel Is A Centerfold!

Molly Bennett

Hello, class. Our subject in today's anatomy lesson is up-and-coming porn star Molly Bennett, who has worked with everyone from Evil Angel to Reality Kings in the video arena, and who today serves as an example of the 19-year-old female in her prurient prime.

We have chosen to dress the 5'7" Molly like a college girl and put her in this academic setting to illustrate the ocular obstacle—or, addictive “eye candy”—that the young modern male faces in trying to pursue his higher educational goals. You see, Molly is typical of the nubile females who populate the campuses, their short skirts and saucy attitudes an unending and ever-spiraling distraction to hormone-addled lads in their late teens and early twenties. And when girls like Molly are in class, well, the restless young studs are often not thinking about their lessons, but instead imagining what all the minxy Mollies around them might do to better entertain the class...

Yes, Molly is what so many young men see today instead of the precious knowledge written on the blackboard! Rather than taking notes so they can pass tests, they close their eyes and see the Molly Bennetts of the world getting up on teachers' desks, taking off their bras and baring their mouth-watering 34C cupcakes...lifting their plaid skirts and boffing their aching pussies with toys...or even presenting their sexy feet in frilly socks and ankle-strap heels for the budding fetishists in the campus population...

Molly Bennett herself has chosen to become a porn star...not surprising for a native of Los Angeles...but zillions of her type fill colleges and universities from one end of the nation to the other! Hey, who needs knowledge, when we have Mollies??

ON THE SET

I Was a Teenage Slut

Story By Acme Andersson

BREE OLSON

HANNAH WEST

MADISON PARKER

JENNA MORETTI

JENNY HENDRIX

STARRING: Bree Olson, Hannah West, Madison Parker, Jenna Moretti and Jenny Hendrix with Erik Everhard, Alex Gonz, Anthony Rosano, Mike Adriano and Jordan Ash **STUDIO:** Digital Sin

There are some girls out there who save their virginity by engaging exclusively in anal sex until their wedding nights or however long they can hold out. We're not saying these pretty, young things have skipped vag entries for butt sex, but there is a common spirit that girls of 18 getting cock up the ass tend to share: They are horny, slutty, adventurous, and fun.

In *I Was a Teenage Slut* we take a look at girls who aren't ashamed to say that their teen years were spent fucking multiple guys and even some girls. Their hormones were raging and they weren't going to be deniers. Here we take a gander at some girls at their finest, a couple

of them who have gone on to superstardom by using their holes to the ultimate. Bree Olson, Hannah West, Madison Parker, Jenna Moretti, and Jenny Hendrix. Yeah, a couple of those names are real familiar nowadays, but these are photos from before you knew who they were. When they were young and tight and huge cocks in the rumps was still a new experience.

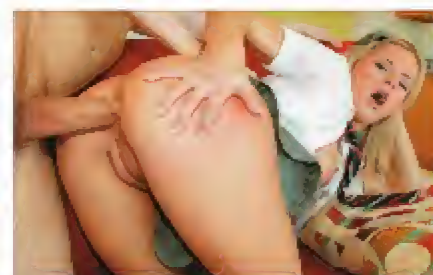

Butt-romp lovers will love taking this trip down the hallways of the old school, seeing girls at their most innocent and then at their absolute filthiest. You never know what's lurking beneath that schoolgirl skirt, and it very well could be a wet pussy and an eager-to-gape ass.

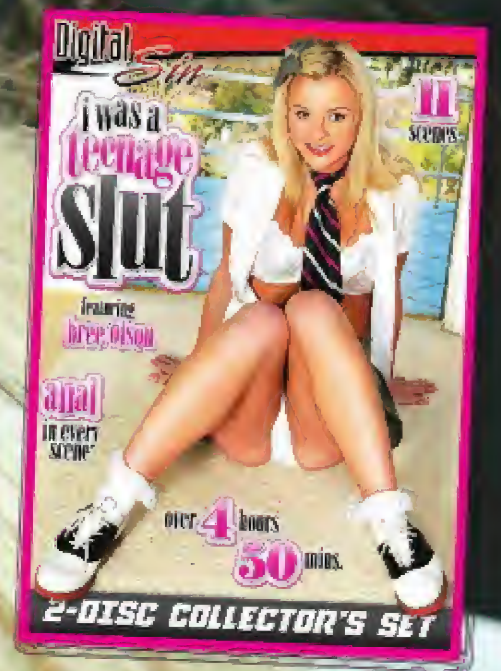

BREE OLSON

We can honestly say we knew Bree before she joined the winning team and here's a cute little flashback of the blonde babe from her early days doing it all including gaping that now-famous ass.

If you've ever wondered why Charlie went so nuts for li'l brown eyes you need only see her stuff her mouth with cock, spread her pussy open with her fingers, and then have her ass pounded by Erik Everhard to understand why she would be so popular with porn fans, whether they live in their parents' basement or in some Hollywood compound. So innocent she looks as she gazes up, her lips wrapped around Erik's dick. If she's innocent as a cocksucker, it's lost by the time he crams his pecker into her ass and her eyes seem to say it may not be the first time, but she's getting a lot more than she's used to crammed in that backdoor of hers.

Even then the puffy-pussed princess was an eager chub-hog and she rides his dick with her trademark enthusiasm, relaxing her anus to give him deep access, which we see when he pulls out and shows off her very impressive gape. Speaking of impressive, Bree was blown away by the wad he blew on her ass cheeks, leaving a puddle of white on the sweet girl with a bow in her hair who would go on to become Bree Olson, America's sweet tart.

HANNAH WEST

It'd be hard to find a girl who is a prettier picture of innocence, but the schoolgirl's mind is always open to new knowledge and it didn't take any more than Alex sliding a finger in her ass, still fresh from sitting at a desk all day, to turn her on to the joys of anal sex.

She looks as surprised as anyone that she's got a dong in her pooper, pink lips spread in awe and she keeps a hand on her pussy, the only hole down there that she really knows how to deal with. It's alright, she just lets Alex break it in and once she's comfortable having something stuck up the down hole she gets on top and rides a cock just like she's done with her pussy before, but this time she's getting something brand new, which this senior sure loves.

Soon he couldn't get her off his dick if he wanted to, she's sliding up and down, enchanted with this new adventure and before they're done she's already asking if they can do it again and again, "Do you promise that you'll come over and fuck my ass after this? I promise I'll do my homework and do real well on all my tests." There's only one test left for this schoolgirl and that's how well she can take a blast to the pretty face. She finally lets his cock out of her chute and puts her face where his cum is about to be unloaded. "Wanna spray it on my face?" she asks. "Or do you want to put it in my mouth?" He opts for both and she couldn't be happier.

MADISON PARKER

Dark-haired Madison looks like such a sweet girl with her cheerful smile, but it doesn't take much to see that behind the sparkle in her eyes, she's got a dirty streak and it goes right from her mind to her ass and every other hole she has.

She does all the sucking and vaginal fucking like any other plaid skirt-wearing girl, but the extra mile is her specialty and she is oh-so-anxious to get there. "You like to fuck my pussy, don't you?" she teases him. "If you like the feel of my puss, wait until you squeeze it into my rear!" After hearing this kind of thing a couple times Anthony finally decides to find out what's up her ass and she shows him: With him lying on the floor she spreads her ass cheeks apart and lets his cock, soaking wet with her pussy juice, slide into her dark hole. "Feels good just like I said it would," she purrs.

Anthony takes a more aggressive stance, taking her standing up, his prick never leaving her buttock and he keeps it in even as they move things to the desk and the after-school workout continues. She throws a leg over his shoulder like she were throwing her report card out the car window on the last day of school. He shoves it in and she looks at us with the sluttiest face this barely legal romper could possibly muster up. But she doesn't feel like a true whore until he pulls his dick out of her bumper and criss-crosses her butt cheeks with his never-ending load. "I think I managed to get a little extra out of you this time," she said. Yeah, just a little.

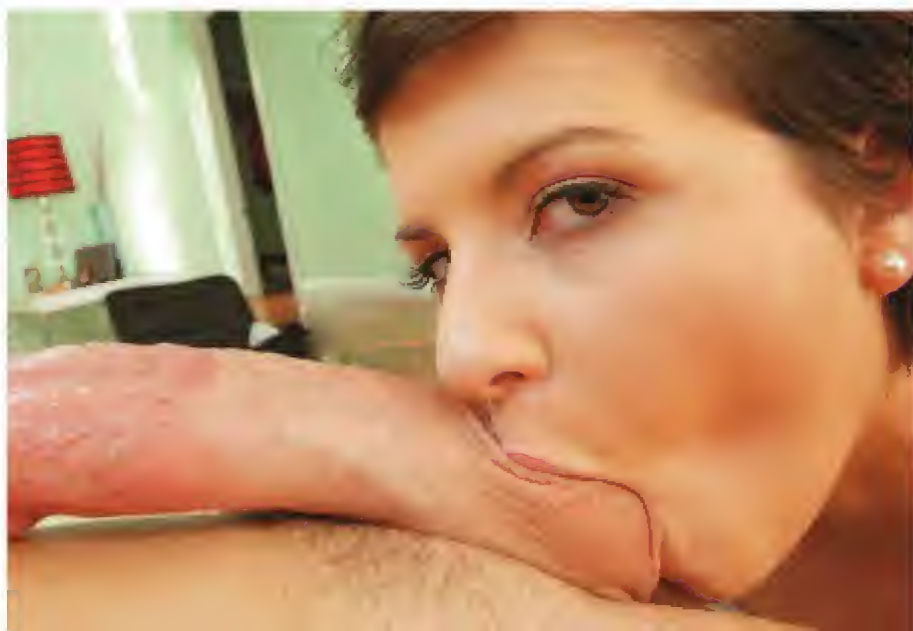

JENNA MORRETTI

Jenna was probably a nice girl way back when, but those days are long gone. Oh, she's pleasant enough, but she's not your traditional girl, not with her haircut and tattoos and piercings and hair—this girl is a dirty one, so dirty that she doesn't even bother with having Mike Adriano screw her pussy. That's so last year. She's moved on to better things, like getting dick in her asshole, and she likes it there, especially when it's a big, thick rod like Mike's. That's the kind of thing she can ride.

She starts on top, leaning back on to his cock until it is up, up, and away in her beautiful, cock-grabber of an ass. She turns around to look at him and he's as confident as he is hard and she wastes no time in riding him hard, taking advantage of a man who can keep up with her intense ways.

He takes her from behind and the veins of his cock are swollen and her pussy is, too, probably from years of hard fucking, it just hangs there kind of limply, a slight gape that seems to say, 'Hello, I'm here, but don't bother with me, the real tightness is back there.'

He puts her on her back and shoves a see-through device that allows a medical view of the inside of her ass, then returns to cocking her and doesn't stop until he covers her stomach and almost reaches her tits with his arching spurts.

JENNY HENDRIX

Jenny is the proud owner of one of the most coveted asses the industry has ever come across. Bulbous and firm and large for her size without being fat or freakish, every guy in the industry wanted to shove his cock between her padded guard rails and more than a few got the chance and Jordan Ash was high on the list of entrants.

One can see here that her pussy is still tight, probably because every guy she has ever been with has "accidentally" stuck it in the wrong hole. But everything's right with Jenny's back hole and she's more than happy to share it, spreading her legs wide and riding him hard, grinding her asshole down to his balls as her pussy waits patiently (it does get some action).

When Jordan does do her from behind, you can tell he's still ass-focused, the only time he seems to take his eyes off the prize is when she cowgirls him, disallowing his view and having him fuck her like a normal girl for a moment. It doesn't last long—they get back to the ass and he pops and soon she's walking away and you know he's getting hard all over again watching that amazing ass walk away.

It Always Ends Up In My Ass!

Back-Door Bonnie

27700

I guess I'm just an ass slut. Me, Bonnie, eighteen and three-quarters years old, and I've pretty much done it all! I've packed a lot of sexual living into my first year of college. I knew I'd be having sex, but once I tried anal right after freshman orientation, I didn't realize how much I'd get into it. It gives me the most pleasure, true. But what worries me is how I don't even care whether I have a reputation all over campus as a total tushie tramp! Because word definitely spreads when you like something like this, and like it as much as I do!

And you should see what goes through my head when I'm getting fucked in the back door, whether it's by Tom, Dick, or Harry! I like to imagine a third person—guy or girl—coming into the scene to take care of my pussy. Someone to kiss it, lick it, finger it, satisfying it while the big cock does its thing in my behind. Yes, there's always this "phantom" in the bed when I'm taking it in the seat—not that I tell the guys who do me! Although I wonder if they'd like to try out a threesome sometime...

Glee Club Lezzies Sing & Cum

Moni & Abby

28873

Moni and Abby became friends in the college glee club, and it's spilled over into their personal lives. Proudly bisexual, they fuck each other with toys and even like to make up songs about it! "This is the way we fuck our toys, fuck our toys, fuck our toys...this is the way we fuck our toys, early in the morning!" And with their sweet soprano voices, it's quite a recitation.

Going to a very liberal college, they can get away with behavior like this. Even as they stuff their slits with various implements, making quite a musical and strangely erotic racket in their dorm room, their neighbors down the hall can hear it all. But the watchword of their college is Erotic Freedom, and instead of being chastised for screwing each other noisily with toys, they've achieved a bizarre celebrity in the dorm. In fact, there are some nerdy guys who actually sit outside their dorm room and jack off while Moni and Abby play inside.

Fingers on clits, battery-powered cocks in twats, this is their pleasure, and they love to sing about it, like all glee clubbers would. "Fuck, fuck, fuck my twat, gently but make me cum, merrily merrily merrily merrily, life is a lot of fun!" No wonder they're campus favorites!

Shoot Your Cum In My Ass!

Anal-Model Mandy

I became a men's magazine model because I love when men watch me. I like when they look at me on the street when I wear a tight skirt and low-cut top, or when I walked through the halls of the office where I worked right out of high school before I became a model.

I also like when men watch me in magazines and videos. Even when I'm doing a shoot, I'm only two-thirds there with the cock I'm working with. Sure, my mouth and my tits and my pussy are there—and especially my ass, I love to be taken in the butt, particularly when a camera is clicking—but there's a part of me, that's out there with YOU, you guys holding the magazine, as you watch the cock going in and out of my lips while my boobs are swinging as I'm getting fucked.

I always want you to know that when you see me, I'm taking this cock like it's yours, like it's your voice I'm hearing, and like it's your breath I'm feeling on my back when you're fucking me deep in my ass while I'm riding on top of your horny cock. And when you see me make the cum shoot out in pictures, give yourself a good hot squirt—feel your own balls drain, and look at my face and know that you're giving it to me! And that I'm feeling it, somewhere, somehow! Oh yes...

Mmmm, I want to suck your cock so bad!

Tag Team Tushies!

Delia & Maddie

He couldn't really tell them apart. Delia and Maddie, they said their names were, when he met them in the park. They seemed interested even though he was at least ten, maybe twelve years older than them; they were more than interested. The way they flirted when they all were eating ice cream cones; tongues lapping the cream; he hoped it was a preview of things to come.

They invited him up to their apartment the next morning—was it Delia's place? Maddie's? It didn't really matter because they weren't making a big deal out of it, they were just craving his cock. They were awed by it. "Somehow," one of them said, still in her pajama panties, "we knew it would be big like that." And the way they gobbled it, kneeling in front of it, holding it and blowing it! It was all he could do not to explode in ten seconds. But he managed to hold off, fingering one and fucking the other, and serving up his shaft to one while the other licked his nuts and her friend's clam too. They were like little man-eaters, they didn't even want to talk, just moan and groan; and then, when he fucked one of them in the ass, the other was so turned on, she was fingering herself like a crazy person, her fingers whirling on her pie.

Needless to say, they got what they brought him up there for. It was nice to frost their faces, and strange how they still looked innocent in a way, even with all the jizz. Well, sometimes it takes girls a while to harden...
